CALIFORNIA DO NOT TRACK DISCLOSURES

When you visit a website (such as Huron's website), your browser automatically shares certain information with that website, such as your IP address and other device information, which may also be considered Personal Data under applicable laws. Some of this data may also be sent to third-party content providers (for example: advertisers, website analytic companies, etc.) that provide content on the website. Such sharing may allow the website and/or content providers to track you over time and across multiple websites. At this time, Huron's website does not respond to Do Not Track beacons sent by browser plugins as there is not yet a common agreement about how to interpret Do Not Track signals from browsers. INTERNATIONAL TRANSFERS OF YOUR PERSONAL DATA

By using the website or providing Personal Data to Huron, your Personal Data may be transferred to the United States where Huron is headquartered. If you are not a resident of the United States, your country's laws governing data collection and use may differ from those in the United States. For example, the data protection laws of the United States have not been found by the European Commission to provide the same level of protection as EU data protection

law. Some of the third parties with whom we share your Personal Data are also located in third countries that do not provide the same level of protection to your Personal Data. Certain third countries have been officially recognized by the European Commission as providing an adequate level of protection (list available [here](#)) Transfers to third parties located in countries outside the European Economic Area ("EEA") take place using an acceptable data transfer mechanism, such as the EU-U.S. Privacy Shield for transfers to self-certified U.S. organizations, the EU Standard Contractual Clauses, Binding Corporate Rules, approved Codes of Conduct and Certifications or in exceptional circumstances on the basis of permissible statutory derogations. Please contact privacy@huronconsultinggroup.com if you want to receive further information or, where available, a copy of the relevant data transfer mechanism.

EU-U.S. and Swiss-U.S. Privacy Shield

Huron complies with the EU-U.S. Privacy Shield Framework and the Swiss-U.S. Privacy Shield Framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of Personal Data transferred from the European Union and Switzerland to the United States. Huron has certified to the Department of Commerce that it adheres to the Privacy Shield Principles. Our Privacy Shield certification applies to all U.S. entities and subsidiaries covered in our Privacy Shield certification record, accessible [here](#). Huron and its controlled U.S. subsidiaries subject to the Privacy Shield Principles hold, process or transfer all Personal Data received from the EU or Switzerland in reliance on the Privacy Shield. If there is any conflict between the terms in this Privacy Statement and the Privacy Shield Principles, the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification, please visit <https://www.privacyshield.gov/>. Huron is subject to the investigatory and enforcement powers of the U.S. Federal Trade Commission.

If you are in the EU or Switzerland, you have the right to access the Personal Data we possess and direct us to correct, amend or delete that information where it is inaccurate or has been processed in violation of the Privacy Shield Principles, as appropriate, in accordance with the Access Principle. Huron may limit or deny access consistent with the Privacy Shield Principles.

When we receive written complaints submitted as instructed above, we will follow up with the person who made the claim. If you have a complaint or concern, please contact us and we will attempt to resolve it. If we are unable to do so, we have designated the International Centre for Dispute Resolution, a division of the American Arbitration Association (“ICDR/AAA”), as our independent recourse mechanism to address complaints and provide appropriate recourse free of charge to individuals covered by the Privacy Shield. The website for submitting complaints which have not been resolved directly by Huron can be found [here](#). Individuals covered by the Privacy Shield may seek binding arbitration for limited types of claims. For additional information about the Privacy Shield arbitration process, please visit the Privacy Shield website at [Privacy Shield Arbitration](#).

If a third-party service provider providing services to Huron processes Personal Data from the EU or Switzerland that is subject to the Privacy Shield in a manner inconsistent with the Privacy Shield Principles, Huron will be liable unless we can prove we are not responsible for the event giving rise to the damages.
