

# HURON'S COI SOLUTION

THE BUSINESS OF RESEARCH IS ONLY GETTING MORE COMPLEX AND CHALLENGING

In today's fiercely competitive research environment, it's increasingly difficult to maintain a world-class research enterprise — the work that moves society forward, improving health, spurring innovation and advancing knowledge.

## ONLY HURON'S COI SOLUTION

- Is helping more than 35 leading research institutions manage their COI compliance efforts
- Supports transactional, annual, and research related certifications
- Enables sharing best practices via the industry's most active user group

**Increase institutional compliance** and streamline disclosure processes with an electronic centralized COI management system that eliminates process roadblocks. Integrate annual disclosure data with related research certifications such as IRB studies and funding proposals. Easily reconfigure the system to meet new internal or external requirements.

Huron's COI Solution is part of the Huron Research Suite, a comprehensive solution to facilitate communication, relieve administrative burden, and free up time for what matters most — your research mission.
